CALL FOR PAPERS

During the last decade, we have witnessed fast developments of various networking technologies, and many forms of networking and systems are becoming core parts of our daily lives. With the proliferation of future wireless technologies and electronic devices, there is a fast-growing interest in ubiquitous and future networks. In the coming days, we expect universal communication and networking technologies to become ubiquitous, along with the emergence of many future networking technologies. The ubiquitous and future network will offer multiservice, multimedia to become ubiquitous, along with the emergence of many future networking technologies. Submitted articles must not be concurrently considered elsewhere for publication. We also encourage authors to submit short papers on the early stages of research or development, which present significant new challenges. Position papers on new ideas and industry papers are also welcome. The conference is organized by KICS, and accepted and presented papers will be published in the ICUFN 2024 Conference Proceedings with an assigned ISBN.

The topics include, but are not limited to:

Mobile Communications
• Wireless and Communication Network
• Cognitive Radio Network
• 6G, 5G, PS-LTE, LTE-A, LTE-Advanced,
• WLAN, WPAN
• Wireless Ad-hoc and Mesh Network
• Small Cell Networks
• Heterogeneous Networks
• Interference Management
• Radio Resource Management
• Cooperative and Collaborative Communications
• Cross-Layer Design and Optimization
• AI/Machine Learning for Mobile Communications

Open Networking
• Open RAN
• GoE, GoS, SLA, and GoS
• Future Internet and Network
• SDN and Network Virtualization
• Web-services and SOA
• Security and Network Management
• Open Platform, Software and Services
• Network Theory and Network Science
• Information Networks
• Social Network
• Network Coding
• AI/Machine Learning for Open Networking

Big Data and Cloud
• Cloud Computing and Networks
• Datacenter Networking
• CCN/CDN/ICN/Delay-tolerant networks
• Big Data Networks
• Fog Computing and Networking
• Storage Networking Protocols
• Distributed and Parallel Systems
• Embedded Systems
• Smartphone Applications
• Applied Computing
• Energy/Power Management
• AI/Machine Learning for Big Data and Cloud

Internet of Things (IoT)
• Ubiquitous Computing and Sensor Networks
• Wireless Sensor Networks, RFID and QR Code
• Cyber-physical system (CPS)
• Optical Wireless Communications(DWC), VLC and IR Communication
• Underwater Sensor Networks
• Internet of things (IoT) and Internet of Lights(IoL)
• Body Area Network
• D2D and M2M
• Nano Communication Networks
• AI/Machine Learning for Internet of Things (IoT)

Autonomous System
• Vehicular Ad-hoc Networks and Autonomous Vehicles
• Energy Internet, Smart Grid and Green Internets
• LBS, Localization, Positioning and Navigation
• Location and mobility management
• e-Health
• AR, VR, MR, Multi Screen and Digital Signage
• Computer Vision Applications
• Safety Critical System
• Reliability, Availability and Scalability
• Machine Learning and Computational Intelligence

Submission Guidelines
All papers must be submitted electronically, in PDF format, and uploaded on EDAS. The direct link for paper submission is https://edas.info/N31728. There are two submission options: a full paper or a short paper. We decided to allow the submission of short papers to accommodate the most recent research outcomes. The submissions should be formatted with single-spaced, double-column pages using at least 10 pt size fonts on A4 or letter pages in IEEE style format. The maximum number of pages is 6 for full and 3 for short papers. Please ensure that both full and short papers must be a minimum of 3 pages in length. Detailed formatting and submission instructions will be available on the conference website (http://icufn.org).

Selected Journal Publication
Accepted and presented papers will be published in the ICUFN 2024 Conference Proceedings.

Best Paper Awards
Best papers will be selected by the technical program committee members among regular papers presented at ICUFN 2024.

IMPORTANT DATES
Paper Submission Deadline
April 3, 2024
Acceptance Notification
April 19, 2024
Camera-Ready Paper
April 26, 2024
